## VAMPIRE FACELIFT

£129

Vampire facelift reverses the aging process. It's a revolutionary repair system that places growth factors in the exact location where we want the skin to repair and rejuvenate itself. The therapy is said to plump skin, fill out lines and wrinkles and give an overall more radiant appearance.

## MESOTHERAPY

£129

Mesotherapy provides the skin with a special cocktail of nutrients such as hyaluronic acid, vitamins, minerals and amino-acids to boost its appearance significantly. As a result your face regains its natural elasticity, shape and glow.
